INTRODUCTION

The User Guide provides Project Sponsors in the AEP Texas Commercial Load Management Program with guidelines for registering as a new user, creating a sponsor profile, uploading documents, as well as creating and submitting sites. Specific screen shots and directions are given for the majority of form-types that will be seen within EnerTrek[®], the online database tracking system.

AEP Texas Central Division and Texas North Division track their respective load management programs in separate EnerTrek[®] systems. To access the correct site, please use the following urls:

AEP Texas Central Division Load Management: <https://www.ecurtail.com/AEP/TCC/>

AEP Texas North Division Load Management: <https://www.ecurtail.com/AEP/TNC>

AEP Texas Distribution Account Number (ESI ID) numbers can be identified on the customer's electric bill as a 17 digit number, ex. ESI ID: 10032789400012345. Project Sponsors should look for the distinguishing number beginning with:

100327894 for AEP Texas Central Division

102040497 for AEP Texas North Division

When working with AEP Texas Commercial Load Management Program forms, a few principles should be observed:

- Unless specifically directed to use the browser's buttons, use the navigation buttons provided on the EnerTrek[®] forms.
- Avoid pressing a "submit" or "accept" button multiple times if your browser performance slows. This could result in multiple submissions of the same form.
- Review the entire form before proceeding to ensure that all of the information required has been provided. If your browser is inactive for more than 30 minutes, you will be automatically logged off and may need to reenter data. To avoid this, try to save your information regularly.
- If you plan to enter data in multiple online database programs, work with only one program at a time. Simultaneously opening multiple browsers may present problems, since information is temporarily stored on your computer about each session and could conflict with data from the other program.
- Although not necessary to successfully complete each form, fields should not be left blank. Enter "None" or "N/A" if the field does not apply.

* The items in ***bold italics*** are selection items/buttons as they are displayed on the screen.

The online data tracking system used for Load Management Programs is ***EnerTrek***[®], developed specifically for the various Load Management Programs being implemented by utilities. Henceforth, the online data tracking system will be referred to as EnerTrek.

NAVIGATION

- Each table has filters that can be viewed by selecting the minus (“-“) sign next to the corresponding filter.
- Each table column can be sorted from ascending to descending order by selecting the column heading. Columns can also be moved to different positions in the table by dragging a column heading and dropping it in the table where you want it.
- Batch actions can be performed on several items at once using the Batch Actions dropdown menu.

- The bottom of system tables offer a search function, page navigation, refresh button and Export to Excel function.

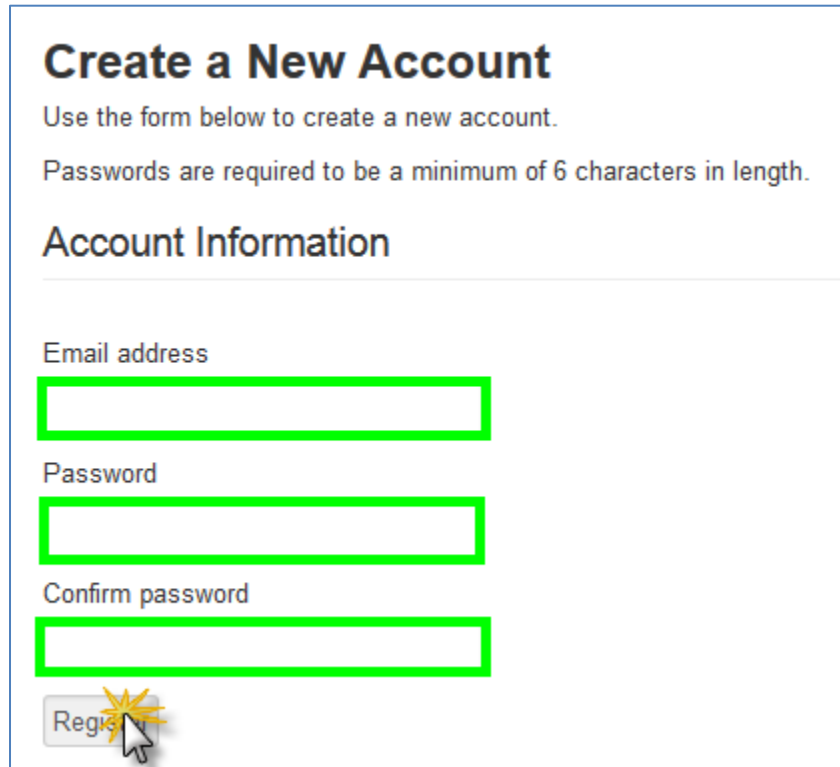

REGISTRATION

Register as a New User

- Select the **Register** link at the menu at the top of the Home page to create a new user account.

- Fill in appropriate text fields and select the **Register** button.

A screenshot of the 'Create a New Account' registration form. The form has a white background and a blue border. At the top, it says 'Create a New Account' in large, bold, black letters. Below this, it says 'Use the form below to create a new account.' and 'Passwords are required to be a minimum of 6 characters in length.' The form is divided into two sections by a horizontal line. The first section is titled 'Account Information' and contains three input fields: 'Email address', 'Password', and 'Confirm password'. Each input field is highlighted with a thick green border. At the bottom of the form is a 'Register' button, which is highlighted with a yellow starburst and a mouse cursor.

Lost Username or Password

If you have participated in either TCD or TND's programs BEFORE 2018 and you have previously registered in this program but may have forgotten your Username and/or password, please do the following:

- Send an email requesting an account reset to Alex Rivera at arivera@frontierenergy.com and cc the following:
 - For Texas Central Company and Texas North Company: Danny Trevino at dtrevino@aep.com
- In the subject line, add "AEP Texas TNC or TCC Load Management Account Reset Request"
- In the body of the email provide your full name, company name, phone number, email address (if different from the one the request is coming from), and the program for which you are trying to register

Edit User Account Information

- Select the **Account** link at the menu at the top of the page.
- Make changes to the appropriate user information fields.
- Select the corresponding **Update** button.

The screenshot displays the 'Load Management' application interface. At the top, there is a navigation bar with 'Load Management', 'Home', and 'Account' links. Below this is the 'ENERTREK' logo with the tagline 'Powered by Frontier Associates'. The main content area is divided into two sections: 'Profile' and 'Change Password'. The 'Profile' section contains input fields for 'User Name' (containing 'test_user') and 'Email address' (containing 'user@frontierassoc.com'), followed by a blue 'Update Profile' button. The 'Change Password' section contains input fields for 'New Password' and 'Confirm new password', followed by a blue 'Update Password' button. Yellow starburst callouts are placed over the 'Update Profile' and 'Update Password' buttons, indicating they are the target of the instructions.

SPONSOR PROFILE

Create New Sponsor Profile

- Select the *Click here to create your profile* button.

Welcome

Welcome to our Load Management Demand Response Program!

Before you can apply to be a part of the program you must first create your profile. Once your profile is complete, you can begin to submit sites for approval.

[Click here to create your profile](#)

- Fill in appropriate information and select the *Create* button.

SPONSOR DOCUMENTS

Upload Sponsor Documents

- Select the **Documents** button at menu at the top of page.
- Select the appropriate document type from document dropdown menu titled “File Type:”
- Select the **Browse** button to select a document from your local computer.
- Select the **Upload** button.

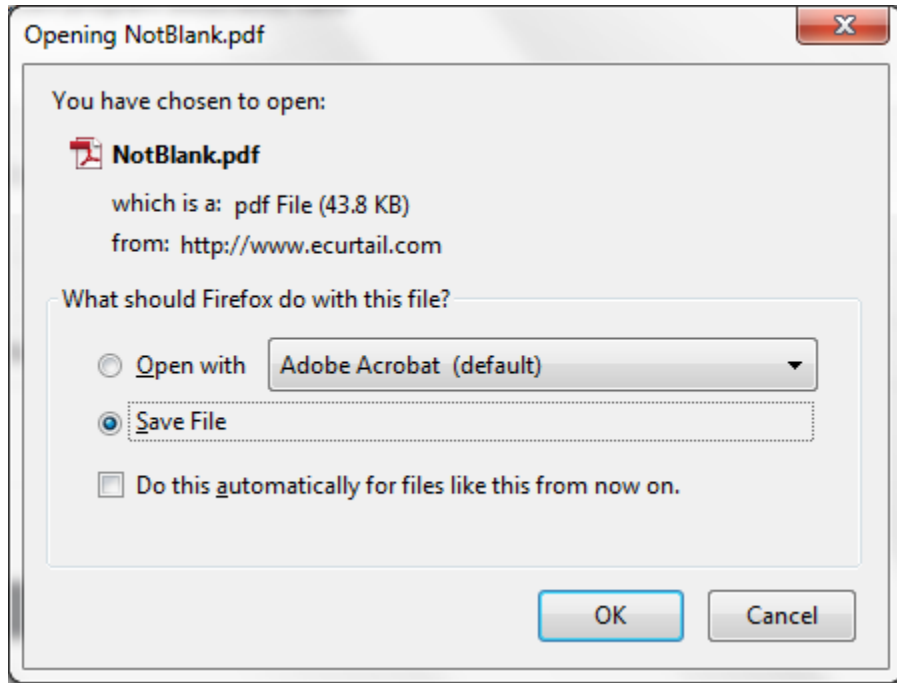

View/Download Sponsor Documents

- Select the **View** link next to appropriate document.

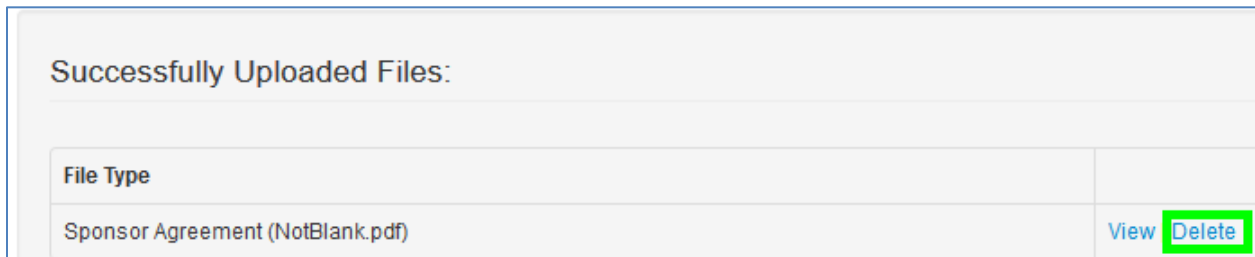

- Select the appropriate radio button and select the **OK** button.

Delete Sponsor Documents

- Select the **Delete** link next to appropriate document.

- Select the **OK** button in the pop-up window.

SITE CONTACTS

Create New Site Contact

- **PLEASE NOTE:** You will automatically be added as the first contact in your contact list.
- Select the *Contacts* button at menu at the top of page.
- Select the *Add New Contact* button at bottom right corner of page.

- Fill in appropriate information and select the *Add* button.

The screenshot shows a "Create Contact" dialog box. It contains the following fields:

- First Name:
- Last Name:
- Phone: - - x.
- Cell: - - x.
- Fax: - - x.
- Email:

At the bottom right of the dialog box are two buttons: "Add" and "Cancel". The "Add" button is highlighted with a yellow starburst and a mouse cursor.

Edit Site Contact

- Select the **Edit** button next to appropriate contact.

- Select the **Delete** button in the pop-up window.

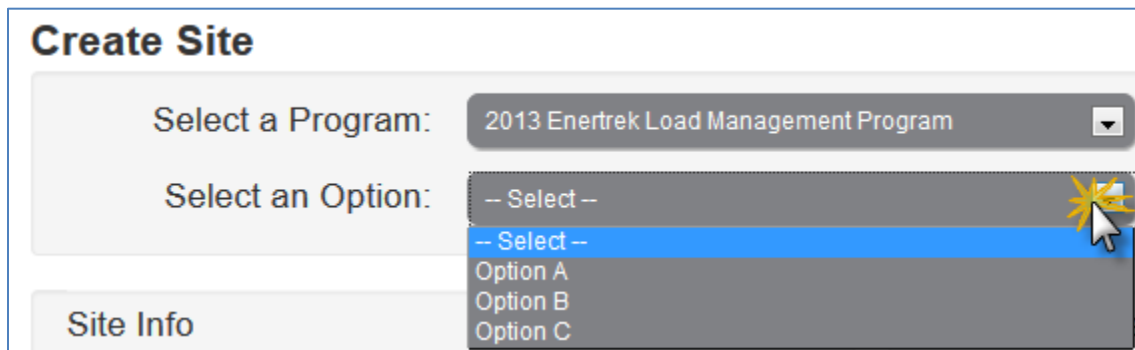

SITES

Add a New Site

- Select the *Sites* button from the menu at the top of the page.
- Select the *Add New Site* button.

- Select a Curtailment Option from dropdown list (**where applicable**).

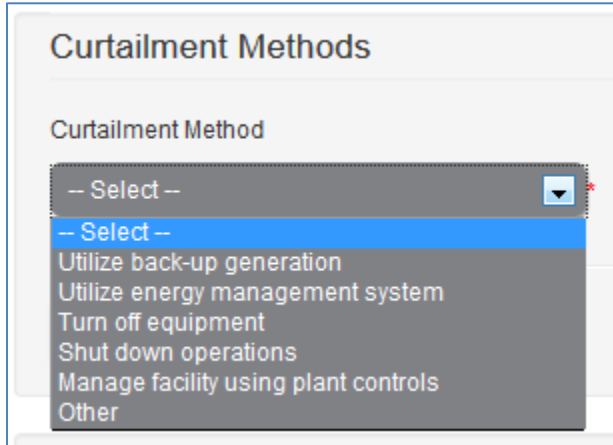

- Enter customer ESI-ID number into appropriate field and select the **ESI ID Lookup** button to prepopulate customer's address into appropriate fields.

The screenshot shows a web form titled "Create Site". At the top, there are two dropdown menus: "Select a Program:" with the value "2013 Enertrak Load Manager" and "Select an Option:" with the value "-- Select --". Below these is a section titled "Site Info" containing several input fields: "Site Name" (empty), "ESI ID" (containing "123456789"), and "Street Address" (empty). A button labeled "ESI ID Lookup" is positioned to the right of the ESI ID field, and a mouse cursor is clicking on it.

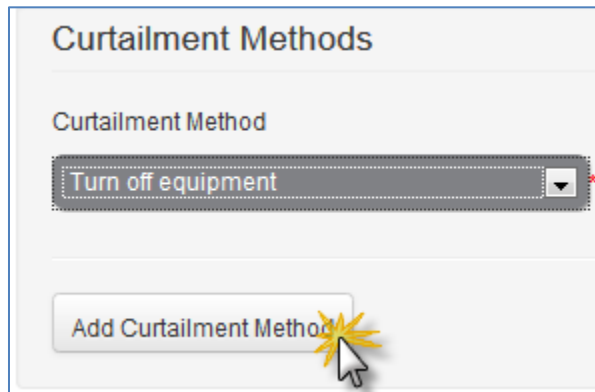

- Fill in appropriate site information into the rest of the form.
- Select the **Select Existing Contact** button to populate contact information for persons already in your Contact List.
- Select the **Add New Contact** to populate information for person(s) not yet in your Contact List (new contacts added to a site will be automatically added to your Contact List).

The screenshot shows a web form titled "Primary Contact". It contains five labeled input fields: "Name:", "Phone:", "Cell:", "Fax:", and "Email:". At the bottom of the form, there are two buttons: a blue "Add New Contact" button and a grey "Select Existing Contact" button. A mouse cursor is clicking on the "Select Existing Contact" button.

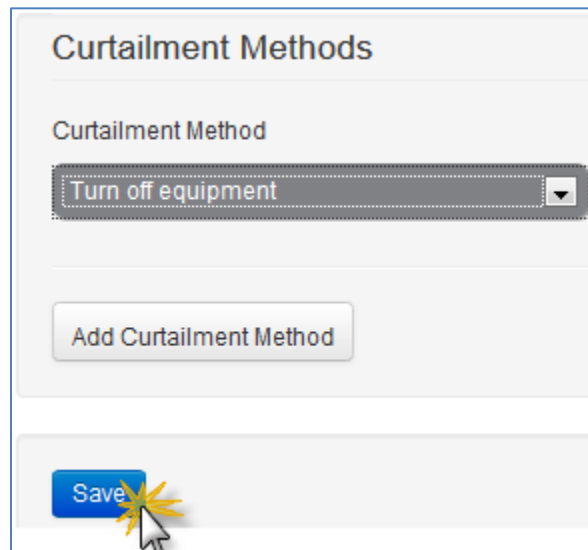

- Select the appropriate curtailment method(s) from the dropdown list at the bottom of the site form.

- Select the **Add Curtailment Method** button.

- Select the **Save** button to save site information.

Copy Site

- Select the **Sites** button from the menu at the top of the page.
- Select the **Copy Site** button.

The screenshot shows a web application window titled "Site". At the top, there is a "Batch Actions" dropdown menu set to "-- Actions --". Below this is a table with the following columns: Id, Name, Program, Address, Esi ID, Proposed Curtailment, Approved Curtailment, Status, and an "edit" link. The table contains two rows:

Id	Name	Program	Address	Esi ID	Proposed Curtailment	Approved Curtailment	Status	edit
1442	test	2013	555 Main Street Austin, TX 78701	78907890798	100.00	100.00	Approved	edit
1443	test2	2013	777 Main Street Austin, TX 78701	543254254252	100.00		Created	edit

Below the table is a search bar with the value "30" and a "Page 1 of 1" indicator. At the bottom right, there are two buttons: "Copy Site" (highlighted with a green box) and "Add New Site".

- Select appropriate site to copy from pop-up window (selected site will be highlighted in blue once selected).
- Select **Copy Site** button.

The screenshot shows a pop-up window titled "Copy Site". It contains a table with the following columns: Id, Name, Program, Address, Esi ID, Proposed Curtailment, and Approved Curtailment. The table contains one row:

Id	Name	Program	Address	Esi ID	Proposed Curtailment	Approved Curtailment
89	Kyle Test Site 1	2013	3036 WINDING MEADOW TRL, PRINCETON, TX 75407	10400514694630001	200.00	200.00

The row is highlighted in blue, and a mouse cursor is pointing at it. Below the table is a search bar with the value "30" and a "Page 1 of 1" indicator. At the bottom right, there are two buttons: "Copy Site" (highlighted with a green box) and "Cancel".

- Edit site information and select **Save** button.

Edit Site Information

- Select either the Site ID number link on the left side of the table OR select the edit link on the right side of the table next to the appropriate site.

Site								
Batch Actions: -- Actions --								
Id	Name	Program	Address	Esi ID	Proposed Curtailment	Approved Curtailment	Status	
1442	test	2013	555 Main Street Austin, TX 78701	78907890798	100.00		Created	edit

- Make appropriate changes and select the **Save** button at the bottom of the page.

File Upload

File Type:

Customer Agreement

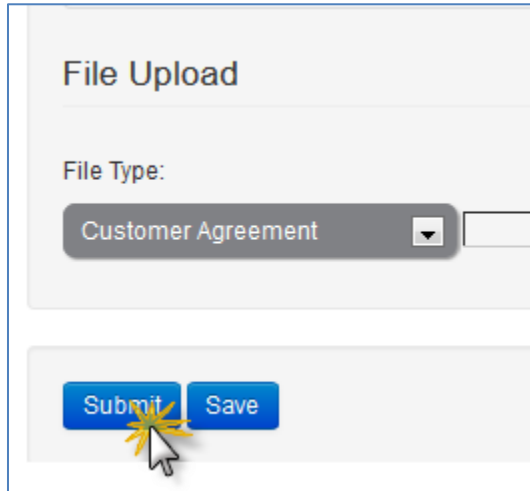

Upload Site Documents

- Follow the steps above to edit the appropriate site.
- Select the appropriate document type from the “File Type” dropdown menu.
- Select the **Browse** button and select the appropriate document from your local computer.
- Select the **Upload** button.

The screenshot displays a web interface for uploading files. At the top, it says "Successfully Uploaded Files:". Below this is a "File Type" dropdown menu. Underneath is a "File Upload" section. In this section, there is a "File Type:" label followed by a dropdown menu. The dropdown menu is open, showing three options: "Customer Agreement", "Customer Agreement", and "Other". The first "Customer Agreement" option is highlighted in blue. To the right of the dropdown menu is a "Browse" button and an "Upload" button. Both buttons have a yellow starburst effect and a mouse cursor pointing to them, indicating they are active or being interacted with.

Submit Site

- Edit appropriate project (see instructions above).
- Select the **Submit** button at the bottom of the form.

- You can also submit sites in batches. To do so, select the “Batch Action” dropdown menu and select the **Submit** option.
